

Einfach Sorplos!

FIXED-LINE TELEPHONY VIA CABLE TV

As a special service, we offer our cable TV customers attractive fixed-line telephony with talk2U.

The call rates are unbeatably low

Calls within the same network are free without limit. Calls within the Austrian fixed-line network can be made from as low as 0.014 EUR. In addition, 100 minutes of free calls within the Austrian fixed-line network are included in the free time!*

Contactable under fixed-line number

If you have an existing fixed-line connection, you can keep your current call number on request. A new call number is also available without surcharge.

Calls via cable TV

With talk2U there is no need to switch. You can normally keep using your existing phone, or use a standard cordless phone.

How to get talk2U

Visit Stadtwerke Kufstein and we'll take care of all the rest for you. From detailed advice on call number portability all the way to cancelling your subscription with your current telephone network provider.

IMPORTANT:

To sign up and to keep your current phone number, we need one of your most recent invoices from your telephone provider to which you are currently paying the monthly basic fee.

* Provision of fixed-line infrastructure: 3 EUR per month. 100 free minutes per month in the free time (Mo. to Fr. from 18:00 to 8:00 | Fr. 18:00 to Mo. 8:00 and Austrian public holidays from 0:00 to 24:00) included, subject to giving direct debit authority and consenting to receiving the call charge invoice by email.

ONE-OFF COSTS

KufNet sign-up	EUR 60.00
talk2U sign-up	
You'll receive a new call number with the dialling code of your municipality, or can keep using your existing fixed-line call number.

All prices are per minute in EUR incl. VAT, calls are charged by the minute. Remark on mobile: If a country is listed with mobile in an international zone, this rate will apply when a mobile phone subscriber in this country is called. For fixed-line subscribers, the respective international zone applies. If a country is not listed in an international zone but only in an international zone, this zone applies to mobile phone and fixed-line subscribers called in this country. The product "KufNet Telefon" is offered in cooperation with "talk2U" (a service by Service der IT-Technology GmbH, Grillgasse 18, 1110 Vienna) Product descriptions and prices can be found at www.talk2u.at/kufnet. For phone calls, the general terms and conditions (GTC), fee terms and specification of services (FT/SS), the international zone list (IZL) as well as the product information and price sheet (PIPS) Tele Privat in its current version apply. These documents can be found and printed at www.kufnet.at/agb.
